Dear Parents,

I don't know where to begin with my thanks. We had a wonderful residential visit with the children from Fox Class. They couldn't have made us more proud; embracing every challenge and supporting each other every step of the way. Every child faced their own challenges, whether it was travelling, staying away from home, taking part in the activities to name just a few. All are huge worries for children and parents, but they trusted us and the team at Standon Bowers. The children all succeeded in overcoming hurdles and will be left with some very special memories.

None of this would have been possible without the support of staff and volunteers who give up their time to organise the visit and to take the children as well as to raise the funds to support the trip. It also takes a huge amount of support from the team back in school, who take on the responsibility of keeping things running smoothly in our absence. As headteacher, I feel extremely privileged to be able to share these experiences, it would not be possible without the support of the entire staff. The whole experience has really helped the children prepare for their future experiences and they are already talking about high school trips, so good luck parents! Once I catch up on my sleep I will be looking forward to the next time!

Finally, apologies for the last minute message regarding school lunches today. We will be in touch as soon as we know plans for the rest of the week. Unfortunately Mattishall have had to close due to flooding so this cannot be avoided. Best wishes for the week ahead,
