Dear Parents,

We have made it to the end of term, although I know with lots of bugs flying around! We hope everyone makes a speedy recovery and can enjoy the Easter break.

A huge thank you to the Friends of Yaxham Primary School for the end of term treats. There were lots of happy faces when the eggs appeared. We also enjoyed a lovely Easter breakfast together. Thank you so much to Tesco Dereham for donating these.

The children have thought a lot about the Easter story across the curriculum in the final few days. Hedgehogs particularly enjoyed making Easter gardens and Fox

Class have produced some beautiful artwork. Our final collective worship at the church was a really special way to end the term, the children engaged so well and reflected on the impact this has on our lives after all of these years.

We look forward to welcoming children back for the summer term on Monday 15th April. On Friday 19th April we are pleased to be supporting one of our parents fundraising by holding a non-uniform day. For

those of you who don't know, Jo Green will be running the London Marathon on 21st April 2024, raising money for Brake the road safety charity after losing both her father and sister in separate road traffic accidents through no fault of their own. As a school we are really keen to support Brake as a national road safety charity caring for road victims and campaigns for safer roads for all.

If you would like to know more or contribute directly please follow the link below, otherwise we will be collecting donations on the day.

We wish Jo all the very best for the amazing challenge she is undertaking and thank you all for your support.

Finally, may we wish you all a wonderful Easter break. We will see you all back in April, hopefully with a little sunshine!

Norwich Canoe Club

A club for all ages and abilities

ABOUT US

We are one of the leading kayak racing clubs in the UK with over 160 members spanning all ages and abilities

Our members range in age from 8 to 80, and it is not uncommon to see several generations from the same family on the water!

Our members also span all levels of ability; we have beginners, top athletes and paracanoeists. Some members just want to have fun on the water whereas others want to go as fast as possible.

Whatever your goal is, Norwich Canoe Club will welcome you as part of our community, and support you to reach your goals.

We're a charity using funding and club income to reinvest in our community and club.

WHERE DO WE PADDLE?

We're based at Whitlingham Boathouse on between the River Yare and Little Broad in Trowse.

We paddle both on the river and on the Broads.

Opened in 2015, the modern boathouse features changing rooms and showers; gym; multi-use area; club room; cafe (Betty's Bar) and boat storage.

It is fully accessible throughout.
